

Basel Saliba

- Provided consulting services to leading groups, working with World Bank, EU agencies, governments, businesses, educational and not-for-profit organizations.
- Facilitated training workshops on personal, team, leadership and organizational development.
- Assessed and led top organizations through Excellence Awards.
- Certified as Leadership Trainer, Management Developer, Leadership Facilitator, Excellence Assessor (EFQM), Project Management Professional (PMP), Trainer of Trainers (TOT) and Training Design & Delivery Professional.
- Holds Master's Degree in Psychology and Bachelor's degree in Computer Engineering.

Focus of consulting and training work

- Leadership effectiveness and development
- Transformational leadership and change
- Organizational strategic thinking and planning
- Organizational development and excellence
- Developing healthy organizational cultures
- Emotional intelligence and people insight
- Executive coaching and mentoring

My message:

- Raise leaders who make a difference
- See the whole picture, but be led by your dreams, not your fears
- Develop passion for excellence and significance, and do it in a wholistic way
