Focus of consulting and training work

- Executive coaching
- Coaching with teams in transition
- Working with senior executives from around the world
- Weaving together tools that produce insights (leadership style assessments, 360s, interviews, organizational climate surveys) to create a coherent picture, and then partnering with clients to create an action plan for shifting

My message

- "Developing" is really about changing – how you behave, how you think, and how you see.
- "You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose." – Dr. Seuss
