

Kristof Sarnes

- Bachelor in mechanical engineering (Ostfalia)
- Master in Industrial Engineering (TU Braunschweig)
- Additional training in process design and facilitation as well as agile development
- Professional Experience in various industries, e.g., automotive, chemical and semiconductor industries as well as the public sector
- Moonshot robotics Start-Up experience
- Leadership experience in building an intrapreneurial workshop and consulting unit
- Authentic motivator and innovator

Focus of consulting and training work:

- Supporting teams and leaders to build stronger and honest bonds to reach full potential and solve real problems
- Designing and facilitating workshops and learning journeys
- Cultural Change for organizational transformation and change management
- Trust based team building through authenticity, logic, and empathy
- Holistic Innovation Management
- Agile transformation
- Innovation and Entrepreneurship
- MVP development and prototyping
- Social Media
- Driving Extreme Ownership – Everyone is a leader

My message

Do good, play hard, push boundaries and have fun

Be Authentic and take Ownership

With real trust, there is no vulnerability

Machen ist wie wollen, nur krasser
